Safety, Inclusion, and Educational Justice Resources for Immigrant, Refugee, and Other Vulnerable Students

The following is a resource list to help School of Education (SOE) community members and others during this time of rapid change and uncertainty. We will update the list later in the school year. Please send any ideas for additional resource links to Ms. Delina Zapata at dzapata@umich.edu. The SOE is not endorsing all of the content from every link, but rather sharing links from sources that have dije-oriented objectives for individual users to assess and draw from if they wish.
