

CPEP Course Planning Sheet

During the terms you are working on your independent research project, you should elect 1 or 2 credit hours of independent research with your advisor (Ed 655 or Psych 619). During terms you are working on candidacy papers you should elect pre-candidacy hours (Ed 990 or Psych 990). The term you achieve candidacy you must elect 8 hours of 990, which will be changed to 995 once Rackham receives paperwork that you successfully achieved candidacy. Thereafter, for every term you enroll, you must elect 8 hours of 995 with your dissertation chair (Ed 995 or Psych 995).

NOTE: It is recommended that all students who are pre-candidates register for 9 credit hours each term enrolled.
