Post-Bachelor Application Guidelines: Transfer Common Application

Applicant Information
The University of Michigan requires all transferring applicants to submit the Common Application. We’ve prepared the guidelines and tips below to help you prepare the materials you need for the application.

Information you will need for the application

- Social security number (required if you are also applying for financial aid through FAFSA)
- Parent/Guardian employment information (occupation, status, education)
- Test Results (if you took the ACT/SAT/AP/IB, etc.) If you took the tests, submit the information. *If you have not already taken the tests, they are not required for admission.*
- Parent/Guardian tax return form (1040)
- Dates of college entrance/exit, advisors contact (Name, Job Title, Email Phone), and course information
- Dates of high school entrance/exit
- Community-based organizations/student organizations for which you have participated

Useful Considerations

- Individual application sections are considered incomplete unless there is a green checkmark for that section
- The preferred “start” term is Fall 2019
  *THIS MUST BE IDENTIFIED IN ORDER TO SELECT “SCHOOL OF EDUCATION”*
- When asked to indicate the U-M College of School you are applying to:
  A. **Select:** School of Education
  B. **Program** you are applying to: (Elementary Education is a BA degree and Secondary Education is typically a BA degree as well.) *We can always change this later if need be.*
- The section labeled “Academic Evaluators” asks you to include the information for you references. Please use the *School of Education Application Guide for Transferring Students (ATTACHED)* to learn the proper steps for submitting letters of recommendation. *You do not need to add your recommenders to the Common Application.*
- Please REVIEW, REVIEW, and REVIEW all materials for accuracy before completion.
- Your signature on the final screen will ensure the application is complete and has been sent
- A “Congratulations!” message will appear once you have submitted your transfer application to the University of Michigan.
